The Magic Mala: A Story That Changes Lives

Synopsis

The Magic Mala (pronounced mah-lah) is the story of Robby Robertson, a down-on-his-luck writer who realizes that he doesn't know as much about life as he once believed. His desperate financial circumstances lead him to open his mind to new ways of living. After finding some mala beads, Robby is taken on a magical journey that teaches him the secrets to personal manifestation and happiness. An inspiring novel that transforms the lives of its readers, this book will leave you fascinated and educated about the universal laws that govern our lives. It's a story you'll want to read often to remind yourself of its wisdom—primarily, the magic of living a conscious life. More importantly, The Magic Mala will help you recognize the power you've always had but didn't know was there: your inner ability to create the life of your dreams. What You Will Learn In This Book + How to manifest the life of your dreams + How to communicate with the Universe + How to recognize the beliefs that limit you + How to consciously protect your energy + How to identify spiritual guidance + How to create magic in your life + How to increase happiness & abundance + How to use mala beads for transformation

If you liked *The Alchemist* by Paulo Coelho, *The Way Of The Peaceful Warrior* by Dan Millman, or *The Celestine Prophecy* by James Redfield, you are sure to enjoy Bob Olson's *The Magic Mala*. PRAISE FOR THE MAGIC MALA

Bob Olson takes us on a magical, heartwarming and spiritually exciting journey, as we follow Robby on a universal quest for happiness that will change him and us forever. A truly life enhancing book that I am honoured and excited to be making into a movie. Ileen Maisel, Producer, Amber Entertainment

The Magic Mala is a special book about a couple who learns a life-changing lesson about the power of intention. Synchronistic events, messages from the other side, unexpected encounters with wise teachers, and a path to prosperity using an unlikely tool, will leave you inspired to use what you learn from this story in your own life, too!

Cheryl Richardson, New York Times best-selling author of *Take Time for Your Life*

The Magic Mala is a book that caught me completely by surprise! I didn't even know I was searching for the wisdom it imparts, but it immediately spoke to me. I'd say it even woke me up and helped me recalibrate my priorities and energy. The characters are so engaging and relatable—not your typical spiritual guides but all the more genuine for it. The Magic Mala is that rare book that calls me to read it over and over again, each time strengthening my resolve to face and pursue my dreams. In its pleasant and straightforward story lies a powerhouse of uplifting inspiration and authentic ways to find your place in the Universe. It's simply life changing. I'm so thankful The Magic Mala found me!

Bob Olson is a writer who aims to inspire readers to improve themselves, follow their passions, and make the world a better place to live. A former private investigator, and the author of the nonfiction book *Answers About The Afterlife*, Bob now writes fictional stories that teach readers about the secrets of life, which he learned in his investigation of the afterlife. To further your understanding of the ideas presented in this book, Bob teaches an online course on his website at <http://www.BobOlson.com>.

Read this Book! It truly can change your life!! just loved the message in this book and I hope many others will get a copy. It's a wonderful thing to realize that our thoughts hold so much power for positive change and that we DO have a choice in what we draw to us and the people in our lives. I think we humans have built-in 'forgetters' that we can alter our attitudes/thoughts/action; I know it was a good reminder for me. Another great thing about this book is that I believe it could be read and understood by children from 11 to 111! One person at a time, we can/are changing the world! I'm so happy that the 'Source of All' has blessed us with Bob and Melissa to pass on an enlightened, loving gift. Obviously, I can't praise this enough!

I so enjoyed reading this book and found it helpful on many levels. I now own my own mala beads and would most definitely recommend this to readers age early teen on up!

I am already putting into practice what I've learned about thinking positive thoughts and setting intentions....and it works! I can't wait to share this book with my friends. This is a book I will read again and again!

I love this book! The way Bob Olson put the book together to help you to understand the way the

universe works was simply genius. I plan on telling my friends and family to get the book and read it. Thank you Bob!

This is a compelling story and very inspiring. I highly recommend it! Once you are done, you want to recommend it! Enjoy!

It has been some time, since reading an uplifting book about how we set our goals and working with affirmations. I enjoyed the book and purchased another copy for a friend.

I have read so many books, but this one was truly amazing. I began reading this while on a spiritual retreat in Mt Shasta over the weekend. I was hoping to find information to get me on my way to writing my own book. Coincidence? This book was put in my path at the perfect time. It was like Bob was talking to me. I will be doing the exercises in this book to help me create my new book and a magical life. I highly recommend this book to everyone. I will be giving this as a gift to my family and friends.

The magic of the mala jumps through the pages and inspires you to practice a centuries-old ritual. Bob Olsen includes a story with compelling characters to complete the journey.
