This is a precious book. Like cats ? You will be crazy about it.

Very cute pictures but you have to get use to them but they look very pretty when they are colored i use pencils for mine

I love this book. It seems weird to color b/w photos but it is really fun and they look fabulous when you are done.

Beautiful pictures, it's nice I don't have to shade these....they are actual photo's of real animals...Love! I have also bought a couple for friends and family members who need to relax!!

Did not care for this coloring book at all.

Ok photos. Expected a bit more variety with the photos. Not many tiny kittens.

I love the fact that the pictures are real.

Good variety of adorable cats and kittens to color
