Customer Reviews

This is a tough, but excellent issue. Most characters don't get a send off like this in this series, a special send off to a long time character.

Love each comic more and more. More twists and turns each time. Hope never to lose Rick Grimes.

Give it a thumbs up

I almost always will give The Walking Dead a good review and feel that I will see when it should end. I hope that's quite awhile from now. New format is good too.

Feel like I lost a beloved family member....I would and do recommend The walking Dead to everyone that will listen to me. Can't wait for the next issue!

Excellent issue. Best issue in a long time. I can easily see this playing out on the show in a season finale of something. Amazing. I don't like giving five star reviews but damn. This issue deserves one.
