Genteel Rebel: The Life Of Mary Greenhow Lee (Southern Biography Series)

Synopsis

This elegantly written biography depicts the combined effect of social structure, character, and national crisis on a womanâ™s life. Mary Greenhow Lee (1819â“1907) was raised in a privileged Virginia household. As a young woman, she flirted with President Van Burenâ™s son, drank tea with Dolley Madison, and frolicked in bedsheets through the streets of Washington with her sister-in-law, future Confederate spy Rose Oâ™Neal Greenhow. Later in life, Lee debated with senators, fed foreign emissaries and correspondents, scolded generals, and nursed soldiers. As a Confederate sympathizer in the hotly contested small border town of Winchester, Virginia, she ran an underground postal service, hid contraband under her niecesâ™ dresses, abetted the Rebel cause, and was finally banished. Leeâ™s personal history is an intriguing story. It is also an account of the complex social relations that characterized nineteenth-century life. She was an elite southern woman who knew the rules but who also flouted and other times flaunted the prevailing gender arrangements. Her views on status suggest that the immeasurable markers of prestige were much more important than wealth in her social stratum. She had strong ideas about who was (or was not) her âœequal,â• yet she married a man of quite modest means. Leeâ™s biography also enlarges our view of Confederate patriotism, revealing a war within a war and divisions arising as much from politics and geography as from issues of slavery and class. Mary Greenhow Lee was a woman of her time and place â• one whose youthful rebellion against her societyâ™s standards yielded to her desire to preserve that societyâ™s way of life. *Genteel Rebel* illustrates the value of biography as history as it narrates the eventful life of a surprisingly powerful southern lady.

Sheila R. Phipps is an assistant professor of history at Appalachian State University in Boone, North Carolina.

wonderful biography--very factual

Through scholarly research, careful historiography and sharp wit, Shelia Phipps brings alive to the reader the life, personality, and culture of Mary Greenhow Lee in this colorfully written volume. This book is not a biography in the traditional sense, through exploring Lee the author brings the reader into the world surrounding Lee. It is for this reason that this volume is valuable for individuals not only interested in Lee, but also the Civil War and the effect the war had on the individuals who lived through it as a civilian. This book is highly recommended by this reader.

"Grounded in impressive primary research and an extensive secondary literature, Sheila R. Phipps's *Genteel Rebel* is MORE THAN JUST A BIOGRAPHY. This imaginative work brings readers into the complex world of Civil War-era Winchester, Virginia, and addresses important questions about women's power and Confederate identity."---George C. Rable, author of *Fredericksburg!* [from the book of the back cover]
