Cloud 9: Rooftop Architecture

Synopsis

This book uncovers one of the most interesting architectural trends of recent times: the remodelling of underutilised spaces at the tops of buildings. These projects reveal the infinite ingenuity of architects and designers. While if we look beyond their architectural value to the overcrowded nature of large cities, the use given to these areas reveals a more rational, sustainable and intelligent application of architecture.

Book Information

Hardcover: 192 pages

Publisher: Loft (February 25, 2010)

Language: English

ISBN-10: 849246397X

ISBN-13: 978-8492463978

Product Dimensions: 10.5 x 8.7 x 0.8 inches

Shipping Weight: 2.4 pounds (View shipping rates and policies)
